Dear Mr Namasivan Chetty

PROVISIONAL ACCREDITATION

APPROVAL DATE	23/05/2018
EXPIRY DATE	22/05/2019
ACCREDITATION NUMBER	17-QA/ACC/1449/18

It is our pleasure to inform you that the MERSETA ETQA Review Committee approved **Egoli Training Centre (Pty) Ltd (TP)'s** application for provisional accreditation as a provider on **23/05/2018** for the qualifications and unit standards as outlined in the statement of results.

Please note that if your accreditation was for an area of specialisation within a qualification, this accreditation is for that area of specialisation only. The provider is therefore required to deliver strictly according to the registered NQF qualification with specific reference to the "Qualification rules".

The provisional accreditation is subject to the development of a MERSETA ETQA agreed and approved action plan that will address the shortcomings within the provisioning system of your institution. The period of provisional accreditation will be subject to the action plan, but will not exceed twenty four months.

The MERSETA ETQA division will conduct monitoring visits over the twelve-month period to support and monitor your progress to achieving full accreditation.

The action plan is to be developed in agreement with the MERSETA Quality Assuror and submitted to the MERSETA ETQA Manager within four (4) weeks from the date of receipt of this communication.

Yours sincerely,

**SENIOR MANAGER: QUALITY
ASSURANCE & PARTNERSHIPS**
